Dukkaboard[®]
EXTRALOAD

The XL range of accessories including specially designed screws for quick and easy fixing, the adhesive for an exceptionally strong bond, a primer for use on newly laid boards and a tungsten carbide tipped cutting knife for rapid and accurate cuts every time.

1 Dukkaboard XL Tiler's Primer

Eco-friendly, water-based surface isolation product for dry, absorbent mineral, cement, gypsum or anhydrite-based substrates.

Single-component, with very low volatile organic compound emissions. Safeguards the health of both operators and the environment.

Dukkaboard XL Primer develops an isolating, cohesive film which neutralizes the expansive chemical reaction of gypsum or anhydrite-based substrates in contact with mineral mortars and adhesives. Reduces and regulates the absorption of highly porous substrates.

XL Tiler's Primer	Size	Stock No
	1kg	5208
	5kg	5209

2 Dukkaboard XL Scoring Knife

A high quality knife for cutting tile backerboard. The tungsten coating on the double blades score cement boards with ease.

XL Scoring Knife	Size	Stock No
	190mm	5205

3 Dukkaboard XL Screws

Self-countersinking screws for use with tile backerboards.

XL Screws	Size	Stock No
	25mm	5210
	30mm	5211

4 Dukkaboard XL Adhesive

Fast setting, waterproof extra strong adhesive.

A one part moisture curing adhesive which sets in 5 minutes. The product is supplied as a thixotropic gel which is 100% seawater proof, gives exceptionally high bond strength and is resistant to most chemicals. The product foams slightly on application to fill small gaps, which increases bond strength.
